**TO WHOM SO EVER IT MAY CONCERN**

This is to certify that **Shri GYV Ramana** has been working as a Software Engineer in the Information Technology Division of the Port since December 2000. The Application assigned to him is Port Personnel Management System inclusive of Payroll and Pension Modules. The Application has several Unique features and Shri.GYV Ramana is full conversant with these features as he was associated with its Design, Development and Implementation .

During the period, it has been noted that Shri.GYV Ramana has a sound grounding in the field of System Designing and Software Development. He exhibited keen interest for learning and undertaken tasks assigned with enthusiasm and in earnest. He proved himself as a Competent Software Engineer and provided valuable assistance in its Implementation in a Special Environment. He is a silent and calm worker with devotion to duty.

I wish him all success in his pursuit for a better career..
